

VALIDATION

HTML

The screenshot shows a web browser window with the address bar displaying "validator.w3.org/nu/#file". The page title is "Showing results for index.html". The main heading is "Nu Html Checker". Below this, a message states: "This tool is an ongoing experiment in better HTML checking, and its behavior remains subject to change". The section "Showing results for index.html" contains a "Checker Input" box with options for "Show" (source, outline, image report) and a "Check" button. Below the input box, a green bar indicates "Document checking completed. No errors or warnings to show." The footer includes links for "About this checker" and "Report an issue", and the version number "21.7.9".

The screenshot shows a web browser window with the address bar displaying "validator.w3.org/nu/#file". The page title is "Showing results for contact.html". The main heading is "Nu Html Checker". Below this, a message states: "This tool is an ongoing experiment in better HTML checking, and its behavior remains subject to change". The section "Showing results for contact.html" contains a "Checker Input" box with options for "Show" (source, outline, image report) and a "Check" button. Below the input box, a green bar indicates "Document checking completed. No errors or warnings to show." The footer includes links for "About this checker" and "Report an issue", and the version number "21.7.9".
